

What's the point of Borders?

Discussion: Based on the video and information sheet "What's the point of borders?" discuss the issues around immigration today. Work individually or in groups.

1. Can you think of any more reasons to have a strong national border?

2. Can you think of any more reasons to allow free movement of people across borders?

3. Which argument do you find the most convincing? Why?

4. Were there any points that failed to convince you? Why?

5. Do you ever hear about border security and immigration on the news, or from people around you? Describe what you know.

6. What is the difference between legal and illegal immigration?

7. Summarize your opinion on border laws and immigration.
