

What's the Deal with the Federal Reserve?

Discussion: Answer the questions based on the video and information sheet, "What's the Deal with the Federal Reserve?" What is your opinion on the Fed?

1. Do you think countries need a central bank like the Federal Reserve?

2. Should the Fed be subject to oversight from Congress?
Why or why not?

5. Do you think the Fed provides any valuable services to America? If so, what? If not, why not?

6. Have changes in the economy ever affected you, your friends or your family? How so?

7. Imagine you are a central banker at the Fed. What policies would you put in place to improve America's economic and monetary system?
